Thomas Cat decides that Milton Mouse must enter the English Channel swim and become famous. Tom trains Milton to the utmost for he has seen the competing animals. The conditioning period over, Milt starts off with Thomas following in a motor-boat. On his way, Milt is fed regally by a full complement of cooks. A traffic copfish pulls the mouse below, and Tom goes after him. He knocks the cop out and brings his champion back to the surface.

The race seems lost, but Tom blows up Milton, fastens an electric fan to him and blows them both to victory.

Thomas claims the trophy, but Milt, who has done all the work, resents this, and beats up his one-time trainer.
